

SPOTTING MISINFORMATION

What is it? False or misleading information presented as fact.

Where can it be found? Anywhere! Frequent locations for misinformation include social media sites, comment sections, messaging apps (WhatsApp, Telegram), nontraditional media sources (YouTube, Tik Tok, etc.).

People sometimes fall for misinformation schemes without realizing it and respond when they shouldn't.

DO'S AND DON'TS OF ENGAGING WITH MISINFORMATION

DO

- ✓ Share accurate information on your own pages.
- ✓ Check possible misinformation against multiple sources and encourage others to do the same.

- ✓ If someone you know is engaging in sharing misinformation, message them privately.

- ✓ Report and block!

DON'T

- ✗ Do not click or share!
- ✗ Do not engage with the post publicly.
- ✗ Do not share misinformation.
